1/4/69

Dear Mr. Zitch,

This is hasty acknowledgement of your letters of 12/28 (postmarked 30) and January 2, both of which arrived today.

They are interesting and helpful. If I do not respond as you might expect, it is simply because there are not enough hours in the day.

I presume you will continue to follow these things and let me know. I do thank you for it. Wherever you can send a copy of the original story, it is helpful.

Again, my thanks.

Sincerely,

Harold W eisberg
